NO DEVICE FOR MATHEMATICS?

TRY THESE IDEAS!

PLAY GAMES TOGETHER!

You can play...

Cards, Board games, Counting games etc. Tally your scores!

MEASUREMENT

BAKING

Do some baking and talk about the quantities and measurements.

PAPER PLANES

Design some paper planes and test how far your designs can fly. Which design is best?

OLYMPICS

Create your own Olympic games. Measure how you do in high jump, long jump and throwing.

LEGO

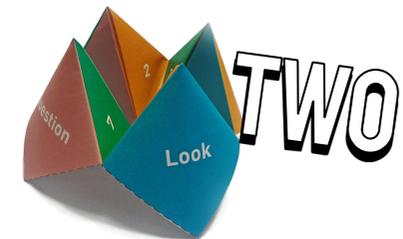

Use lego or other blocks to measure objects around your home. Can you use them to work out the length, perimeter and area of things?

GEOMETRY

ONE

Design and draw

- o A Tukupuku panel
- o Symmetrical shapes - try flipping, rotating and reflecting them to create patterns and designs

Cut and fold

- o Chatterboxes
- o 3D Nets - cubes, prisms
- o Snowflakes

THREE

Origami

What new ideas can you come up with?

PHYSICAL EDUCATION

Healthy Body - Healthy Mind - be active:

CLIMB A TREE

Start a challenge with some friends - how many push ups, pull ups, burpees etc can you do in 1 minute?

Video yourself as proof!

RUN AROUND THE BLOCK

Practise a skill based on a sport/game you are wanting to develop.

MOW THE LAWNS

WASH THE CAR

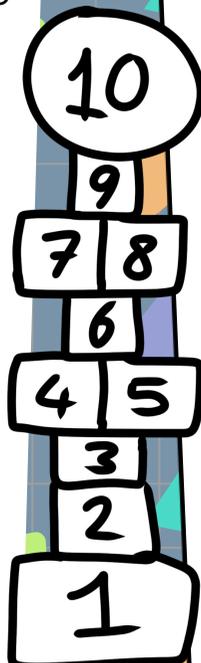

Do chalk drawings on the fence - then wash the fence!

GO FOR A WALK

Create a dance to share with your family and friends.

PLAY HOPSCOTCH

Record yourself performing a talent - it might be a dance, handstands, standing front flips...

FAN CLUB

Write a letter to your favourite athlete telling them why you are a fan, ask them about what drives them and about their journey to where they are with their sport.

GAME BREAKER

Invent a new sport/game - create the rules, give it a unique name, develop a scoring system, make a video or write instructions on how to play.

HEALTH AND WELLBEING

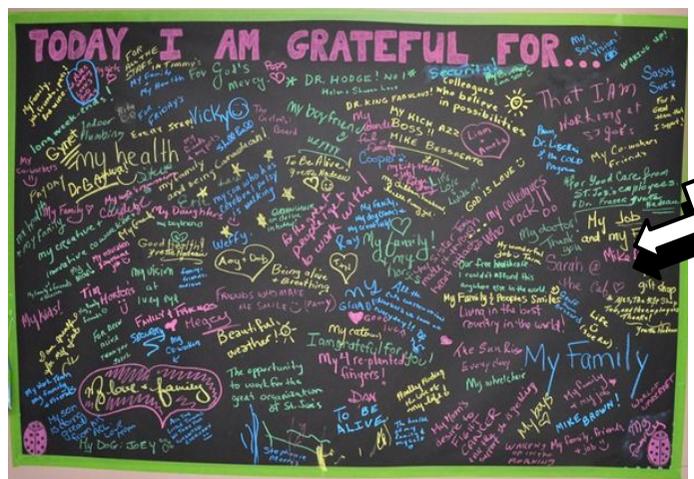

MASTER CHEF

Use your Food Tech skills and make your whanau a meal. Plan and create a menu, work out the ingredients and recipes you'll use. Take photos of your efforts from planning to serving and eating - your very own Lockdown Master Chef experience.

Email it to Mrs Prasad and claim **50 House points!**
nawintap@papint.school.nz

#ARTY FARTY

Be creative!
Draw, colour in or do some art to express yourself.

GRATITUDE WALL

Create a whanau gratitude wall for your house - organise it so that everyone in your home leaves positive messages about each other and what they are grateful for - add a different message each day of lockdown.

#NEW IS GOOD

Try something new that you've been thinking about doing but never quite got around to... write a song, learn an instrument, yoga or even cleaning your room :-)

HAVE YOU CHECKED IN LATELY?

Tell us how Lockdown is going for you!

BE THE STAR YOU ARE!

CHARADES

Play Charades.
Act out anything and the audience has to guess what you are doing.

MOVIE MAKING

Use Lego characters and other small toys to make a stop motion movie.

Download the Stop motion App.

DANCE & DRAMA

MARKETING AND BLOOPERS

Create an advertisement for a TV ad. Choose a product or create your own. Write a script. Try using a storyboard to help you.

OR

Choose an ad on TV. Rewrite it and make it funny!

PAPINT 'TIK TOK'

Create your own private "Tik Tok" video.
(You do not need to post it online)
Ask your family to get involved. If you are brave enough, share it with your teacher.

Vanitan@papint.school.nz

DANCE & SING

Make up a cultural dance with movements you already know

OR try writing a new song.

CHANTS

Think up a chant for any topic you are interested in. Remember to select some words related to the topic and use repetition, rhyme, movement, different types of singing and energies!

MIME

Create a funny mime to share with your family.
Remember: you can't use words - only gestures, movement and facial expressions.

SOFT MATERIALS

TRY THESE IDEAS!

I SPY WITH MY LITTLE EYE...

Look in drawers and cupboards, on top of furniture, on walls, and even outside, and list the fabrics, textiles, soft material items you have.

DO NOT INCLUDE ANY CLOTHES.

- What is the item?
- What do you think the material is?
- How many items have you found?

OR TRY

Learn to finger knit, french knit, or braid friendship bracelets.

PATTERN PIECES

Have a go at making **pattern** pieces for:

A SHIRT

A t-shirt: button down with collar and yoke (separate piece around the back of your shoulders/neck), pockets, shaping at the bottom hem, sleeve length.

A HAT

The pieces will depend whether it is a baseball style or bucket hat, etc. (*knitted hats don't count!*).

JEANS

Remember things like front and back pockets, maybe the small key/coin pocket, belt loops, waist band, the piece above the back pockets (have a careful look at your own jeans).

lindan@papint.school.nz

JUNK MAIL

ONE

Grab brochures from the letterbox

- Are there any soft materials advertised in them?

TWO

Record your findings

- Name of store/shop
- Item you found
- Any interesting features

BUCKLE MY SHOE

"I saw fluffy toy hats with scarf attachments that you can pump/squeeze with your hand and it made the ears pop up at Spot light, ha ha ha!" - Mrs Nicholls

MUSIC AND VISUAL ARTS

MAKE MEKIE MUSIC & WIN HOUSE POINTS!

Using household items or something outside, create your own musical instrument.

You could use things like buckets for drums, strings and rubber bands for guitars, bottles with water to create different pitches and heaps more!

Send your creation to Mr McKenzie.

hamishm@papint.school.nz

The top three will win **100 House points**

STILL LIFE DRAWING

SHAPE

Collect 3 kitchen items. Arrange them in an interesting composition.

Remember to focus on the 'elements of art' - shape, line, texture and value (shading).

LINE

TEXTURE

Make it as big as your hand. Get creative.

SHADING

Email it to Ms Horman and claim

50 House points!
