| Effective Date: | <i>Date November 2025</i> | Review Date: | <i>Date October / November 2026</i> |

Overarching attendance objectives and strategic priorities

Introductory statement:

Parents are required to ensure their children attend school everyday, and on time.
Schools are required, by law, to track, monitor and support student attendance.

Papatoetoe Intermediate is committed to working with families to ensure children are able to attend school, on time, every day.

The Government has set a target: by 2030, 80% of students are present for more than 90% of the term. Papatoetoe will be annually reviewing their target to meet this.

The Board will ensure that resources are made available to support attendance improvement strategies and aim to have 80% of all students attending 90% of the time.

Attendance Policy

Please refer to document within schooldocs - enter code - papint and password is - star

Attendance management procedures

Teachers are the first point of contact for parents and must phone to discuss absences with them in effort to get children to and engaged in school. Students who have frequent or regular absences must be formally referred to the Learning Support and Guidance Unit. Teachers can do this by email or through the Whanau Leader. Whanau Leaders are responsible for Truant students in their teams.

- We aim to have every student attend school for 90% of possible time (students who attend for **less than 80%** of the possible days are considered to be 'seriously at risk'). This means that any and all students who have absences without notification must be contacted by the classroom teacher and notes of conversations taken and added to the student's file.
- By law children may not be taken on extended leave from school without written permission from the principal. Teachers work with families to ensure that they apply for leave in writing.

- Enrolment lapses for any students who are absent from school for more than 20 consecutive school days without an appropriate reason or contact.
- Students who are away from school, without permission for more than 20 days are non-enrolled and MOE / Attendance Services are informed

At Papatoetoe Intermediate School we do this by using the [Stepped attendance response – STAR - Ministry of Education](#) to guide when and how we respond to absences. Below is a **summary guide** of how we support:

| GOOD Good chance of success | WORRYING Less chance of success | CONCERNING Hard to make progress | SERIOUS CONCERN Very hard to make progress |
|---|---|---|---|
| Less than 5 days absence in a school term | Up to 10 days absence in a school term | Up to 15 days absence in a school term | 15 days or more of absence in a school term |
| <p>If your child is regularly attending, you can expect</p> <p>We will stay in regular contact with you about your child's attendance.</p> <p>We will follow up to find out the reason when they aren't at school.</p> | <p>If your child has some absences, you can expect</p> <p>We will be in contact to work with you to identify any barriers to attendance. This could be via phone, text and/or email. May also include a home visit.</p> <p>We may provide support to help them catch up and stay on track.</p> | <p>If your child has many absences, you can expect</p> <p>We will work with you to develop a plan to support their attendance and learning.</p> <p>We may seek support of the Attendance Service or other agencies to remove barriers to attendance.</p> | <p>If your child has a lot of absences, you can expect</p> <p>We will continue to work with you to implement the plan to support their attendance and learning.</p> <p>We will seek support from the Attendance Service or other agencies to support their return to school.</p> |
| Twice termly emails are sent out to update you on your child's current and year to date attendance | | | |
| We also acknowledge those students who have 100% attendance in a week, term and year. | | | |

How can caregivers/whanau assist?

- Keep the school updated on any absences; contact detail changes
 - Email: student.rec@papint.school.nz or admin@papint.school.nz
 - Website: <https://papint.school.nz/absences/>
 - Use the Edge app to notify the office if their child is absent

1. School expectations

- All students attend every day, on time
- If a student is late to school (after 8.45am) they must sign in on the school 'vistab'. This then automatically gets transferred to the schools SMS attendance system.
- Caregivers must inform the school office if their child is away / going to be away within a week
- If the school has not been made aware that they are away, a text message is sent to the caregivers asking where their child is.
- If a student is away for 3 consecutive days with no contact, this is escalated to the office / Leader contacting / visiting the home.

2. Communicating school expectations and rules to families through

- The website and prospectus
- Newsletters and regular reminders via phone or email
- Phone calls from teachers / administration staff / School leaders
- Termly email updates emailed to all caregivers outlining their child's current termly and year to date attendance and the expectation
- SMS app available for caregivers to report and check their child's attendance

3. Monitoring school attendance

Requires both the school and caregivers to maintain effective communication with each other.

This means that monitoring of attendance is maintained.

- Registers completed within school SMS
- Notes made within SMS system noting all contact (including attempts) made
- We aim to have every student attend school for 90% of possible time (students who attend for less than 70-80% of the possible days are considered to be 'seriously at risk'). This means that any and all students who have absences without notification must be contacted by the classroom teacher and notes of conversations taken and added to the student's file.
- By law children may not be taken on extended leave from school without written permission from the principal. Teachers work with families to ensure that they apply for leave in writing.
- Enrolment lapses for any students who are absent from school for more than 20 school days.
- Students who are away from school without permission for more than 20 days are referred to the MOE.
- Regular check in on attendance data and those requiring additional follow up or actions are held through meetings with DP / Admin. Students are then tracked:
 - Improvements / declines in attendance percentages
 - Leader / Admin person assigned to each student identified as the 'key case worker'

2. Identification of students requiring additional support

'At Risk' Attendance – identified via the school SMS attendance reports

- 70- 80% attendance (i.e. about 1 day a week absent from school).
 - Whanau Leader and the homeroom teacher monitor attendance and work with home regarding strategies / supports required to improve attendance
- Less than 70%
 - Deputy Principals follow up regarding these students
 - These students are discussed weekly by Deputy Principal and Admin staff allocated attendance oversight
 - Attendance service provider meets fortnightly to discuss referrals and possible referrals

Attention to **'At Risk' Attendance** could lead to one or more of the following actions:

- Regularly check ins by a senior leader
- require the teacher / admin / senior leader to call the home
- Caregiver request to meet with a senior leader to discuss how to improve attendance/what support may be required
- Home visit by staff members
- require parents to provide a medical certificate for absences
- be referred to Social Worker for a home visit re absence
- be referred to Attendance Services
- are provided a letter warning regarding 'Truancy' intervention

As a school, we would prefer not to go to prosecution. However, if this was ever to be required:

- if on-going the family are provided with a second letter of warning
- have a final letter which outlines a prosecution process
- are referred for prosecution

3. **Maintaining up to date Classroom Registers**

We are legally required to take the register twice a day. The process that we take to ensure that this occurs consists of the below

- All classroom rolls must be marked on the school's SMS (Edge) by the homeroom teacher every morning by 9am, as well as after each break time.
- Student registers are also marked at the start of each subject session during the day.
- If a teacher is away, or the SMS is not working, a paper roll is marked off by a staff member. This is then set to Student Reception to be entered and held on to.
- If a register is not marked, a notification appears on School Leaders and Administration's SMS dashboard. The teacher responsible for that time period is then followed up by a School Leaders and Administration to update the register. If regular reminders are required, the Whanau Leader is informed.
- Weekly classroom register reports are sent to Senior leaders so that additional checks can be completed - i.e patterns and narratives behind a student's attendance

Student absences

- Caregivers are required to inform the school of any absence from school.
- If a student's attendance begins to decline and the school has not been informed as to why, ADMIN / Classroom teacher make contact with home to find out
 - If this continues without regular updates from home, a meeting is likely to be arranged between caregiver/s and a Senior Leader to discuss what could be done to assist etc
- If a student is regularly away for 'medical' then home is asked: to supply a medical certificate and / or Health Nurse referral is actioned to investigate if further support at home is required.
- If a student is absent for more than 20 consecutive days unexplained or unjustified, the student may be removed from the school roll.
 - Home is sent an email / letter making them aware that this could occur
 - Student is then removed - noted in ENROL as a non-enrolment
- Attendance services are also referred to where appropriate

Coding for attendance

Papatoetoe Intermediate uses the below attendances codes. These are based on Ministry of Education Guidelines:

| Counted as towards total attendance | Code |
|-------------------------------------|---|
| Present | P - Present L - late Q - Offsite learning D - approved external appointment |
| Absent | ? - Unknown J - absence is explained and justified E - absence is explained but unjustified G - Holiday in term time M - Medical T - Truant U - Stood down or Suspended |

- Attendance code is selected when marking
- If a student has a '?' coded next to them it is the teacher's responsibility to follow this up by either: calling home, sending a note home or emailing home. If the student is still absent without explanation for 3 days, contact Admin/AP then also assist with the follow up
- An Admin staff member sends regular reminders regarding '?' within registers to classroom teachers
- All attempts to contact / contact made, needs to be entered in as attendance notes into edge

Monitoring and measuring progress

Attendance policy, procedure and plan review

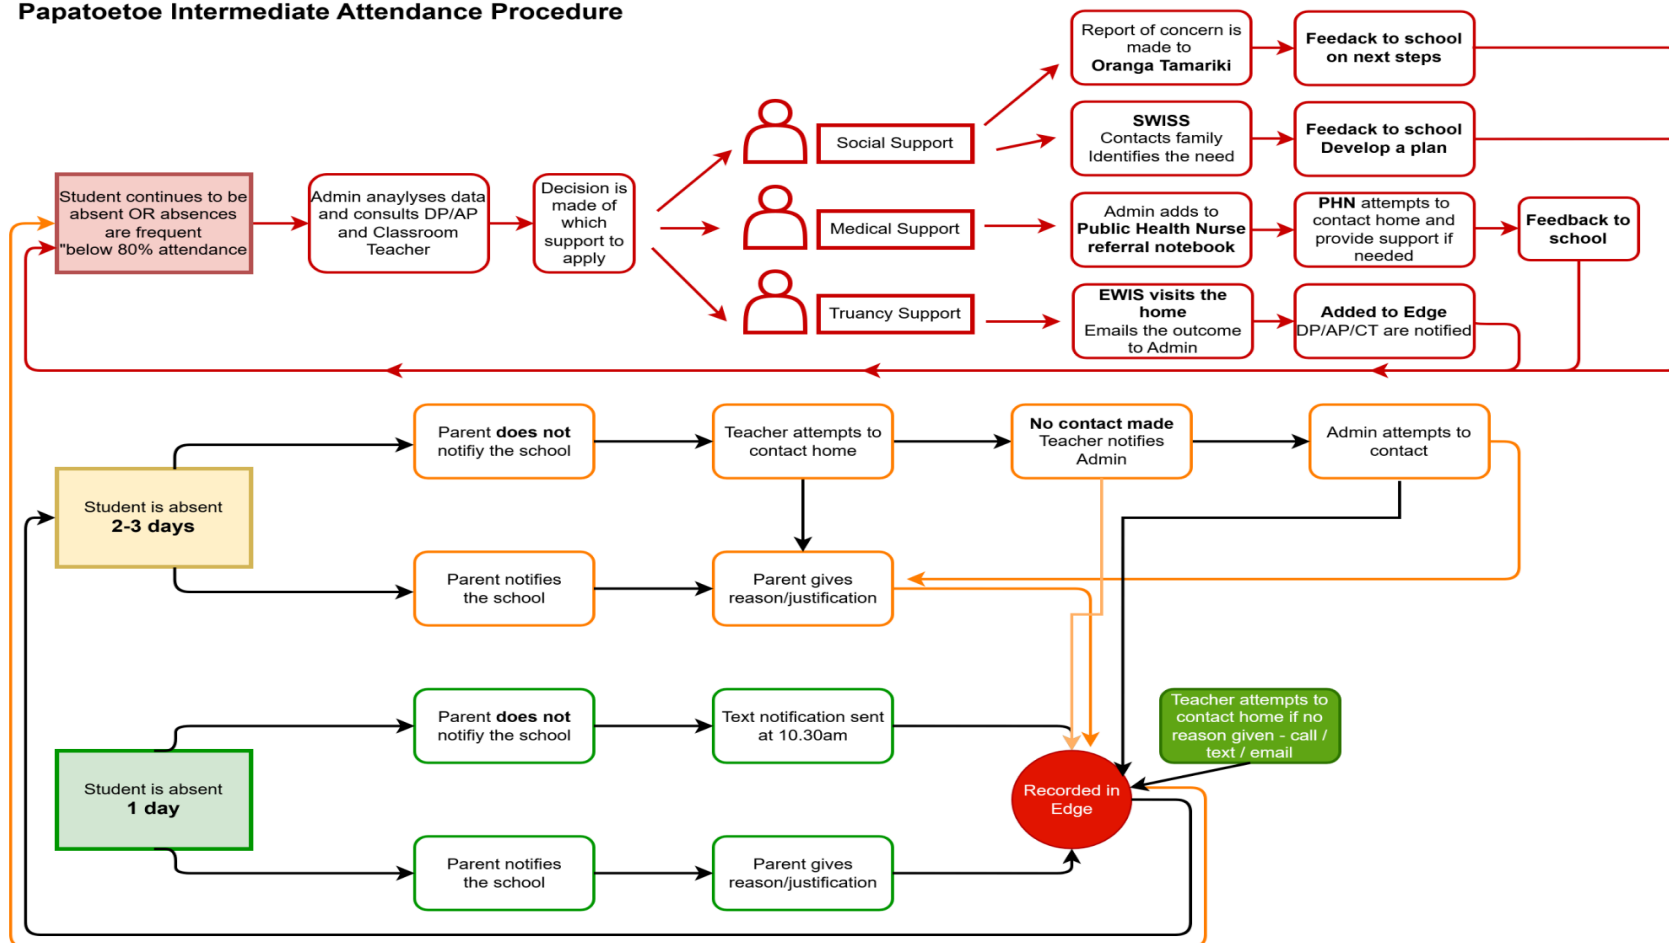

In 2025, Papatoetoe Intermediate set a target of 70% of students being present for more than 90% of the time.

| What | Response to change | Review schedule |
|------------------|---|--|
| Procedure | Termly Attendance focused meetings held with senior leadership team to review process and make changes or enhancements On Whanau / Team agenda at least twice a year to recap, review and enhance | Week 5 or 6 each term 1-2 times a year at pastoral care allocated time |
| Policy | Principal / BOT informed at least once a year around changes changes to government priorities to keep up to date with the policy | On notification from school docs and / or Ministry of Education |
| Plan | Plan to be referred to throughout the year and comments made where suggested changes or enhancements need to be made considering: <ul style="list-style-type: none">● Staff feedback● Caregiver interaction / feedback● Community needs● MOE guideline changes etc● Attendance Data | Term 3 each year with confirmed plan in place Term 4 each year Attendance data might indicate a need to change (Termly) |

Papatoetoe Intermediate

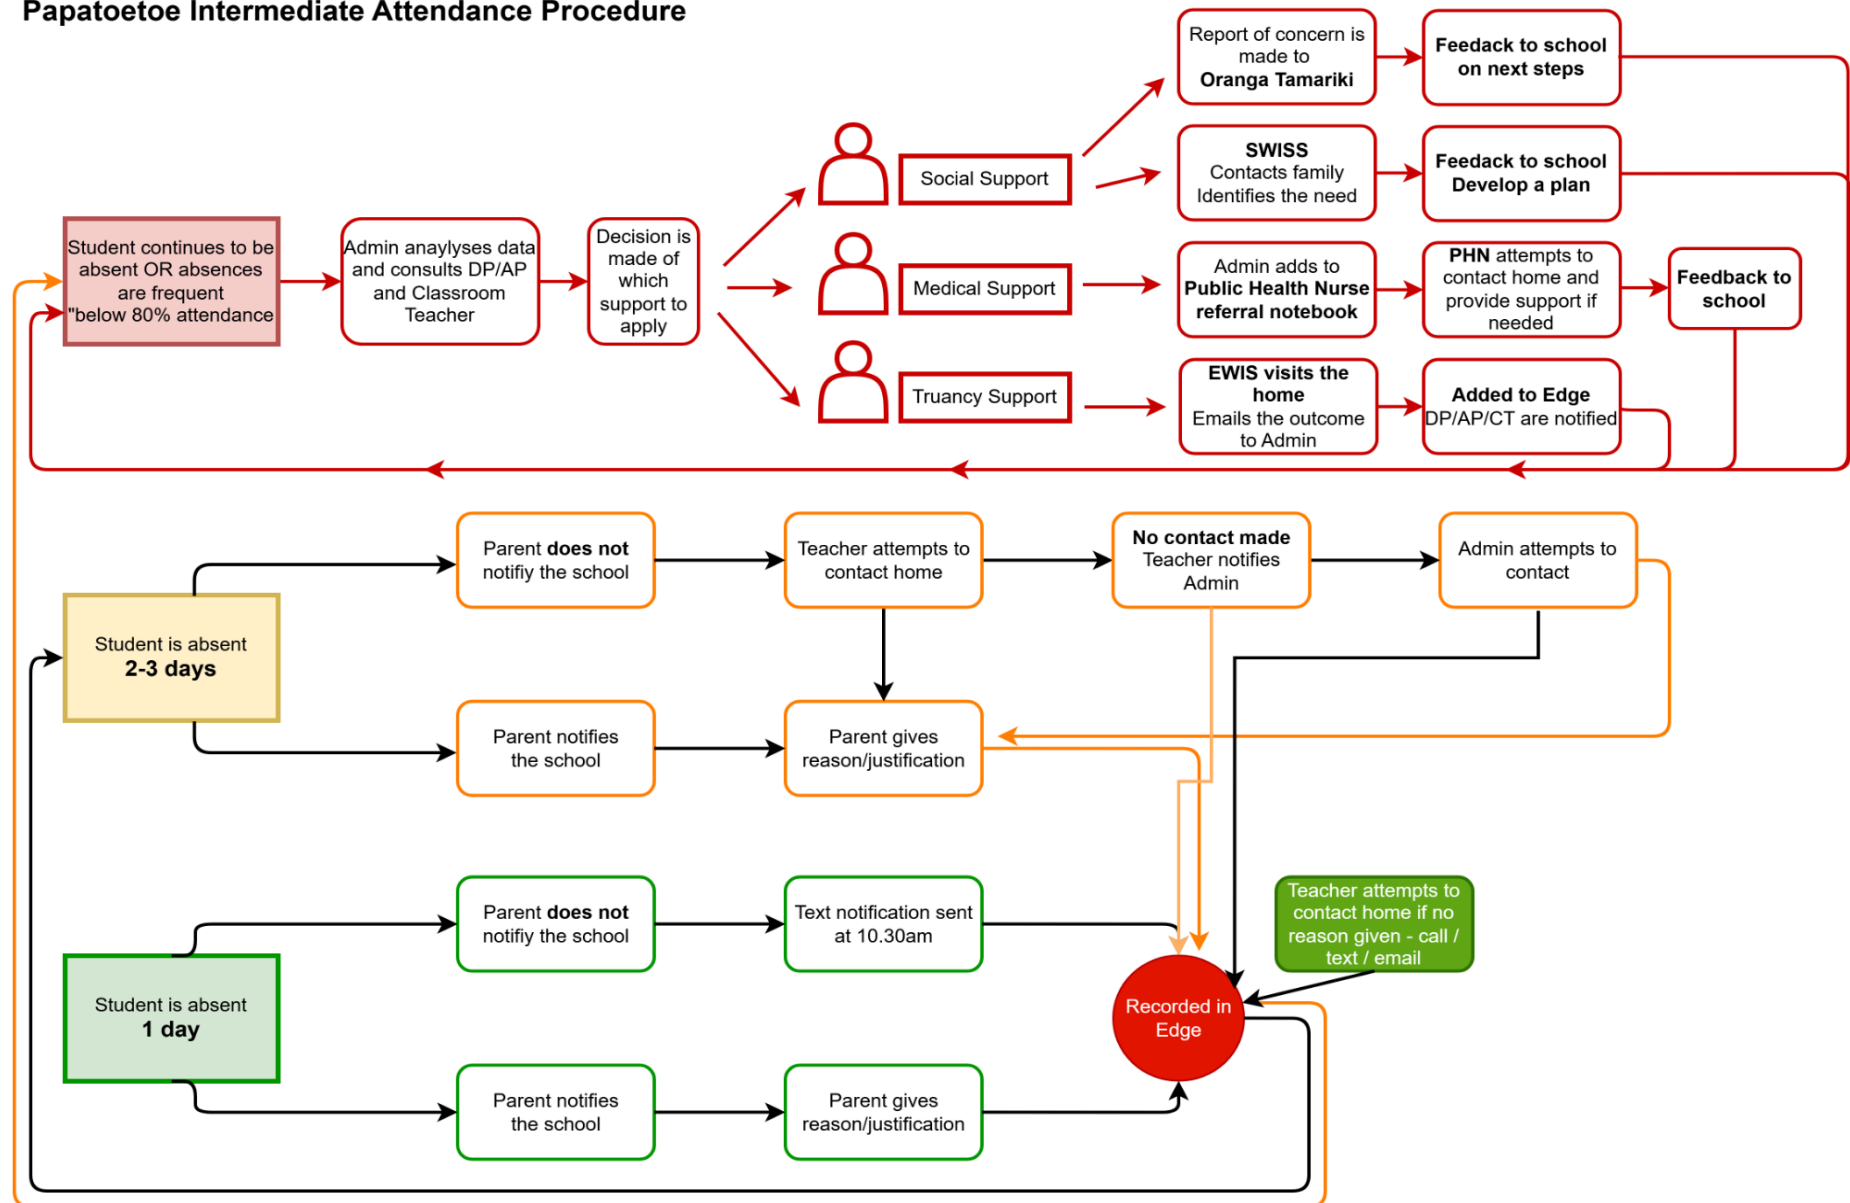

Stepped Attendance Response (STAR)

Government has set a target: by 2030, 80% of students are present for more than 90% of the term

Goals for School Boards:

- **Prioritise student attendance**
- **Align strategic planning with the Government's target of achieving 80% of students attending more than 90% of the time by 2030.**
- **Enhance systems for tracking and reporting attendance data.**
- **Develop strategies to address chronic absenteeism**
