

Papatoetoe Intermediate School

School Uniform

Adherence to the dress code is a requirement of attendance. Parents should ensure students have a clean, neat uniform to wear and that they are well presented each day.

- Our uniform is a year-round uniform. Most items are not gender specific so may be worn by boys or girls.
- Students are expected to wear the uniform correctly and with pride at school, including to and from school.

The Dress Code can be found on our website and will be discussed with students when they start at our school.
